2007-2008 PLAYING RELEASE

**ASSUMPTION OF RISK, RELEASE OF LIABILITY, AND INDEMNIFICATION**

Participant's Name: \_\_\_\_\_  
(Please print clearly)

Purpose:

I, \_\_\_\_\_, am the parent/legal-guardian of, \_\_\_\_\_, ("Player") who has my permission to participate in the lacrosse program of the Northern Stars Lacrosse Club ("NSL"), during all, or part, of the 2007-2008 calendar year. I know that lacrosse is a contact sport that is inherently dangerous and involves risks of injury or even death. Furthermore, I acknowledge that there are ever-present risks in life generally and that during my child's involvement in the Northern Stars Lacrosse program, playing in a game, practicing, traveling, or otherwise engaged in the Northern Stars Lacrosse program, there will be such risk. I knowingly and voluntarily assume these risks, and hereby release and hold harmless Northern Stars Lacrosse, and all of its agents, representatives, and assigns, from all liability, claims, rights or causes of action which may accrue as a result of personal injury or property loss or damage sustained by Player arising out of, or as a consequence of, Player's participation in Northern Stars Lacrosse.

I am not an agent or representative of Northern Stars Lacrosse. As a parent or legal guardian of Player, my attendance at, or participation in, Northern Stars Lacrosse events does not make me an agent or representative of Northern Stars Lacrosse. I acknowledge that I am liable for my own actions and, hereby, agree completely to indemnify Northern Stars Lacrosse from the cost of legal defense and payment of damages in the event of any claim, liability, or cause of action, which may arise from my actions or behavior while in attendance at Northern Stars Lacrosse events.
